Letter of recommendation for Redwoodworks Residential and Milsite Custom Homes

I am writing to recommend Thom Grisanti, owner of Redwoodworks and Milsite Custom Homes.

Thom Grisanti has worked for me for throughout the last 15 years. He has always provided me with very high-quality products. His supervisory skills are beyond reproach.

I have always and to this day placed a premium on quality and timely scheduling.

I as owner of Russ Cooper Associates, Inc. would highly recommend Thom Grisanti for any type of Residential Millwork needs.

Respectfully submitted,
Russ Cooper, President
